Proposed Ellicottsville Building West of Grand Avenue

DEVELOPMENT FUND NEWS

We note with interest that the Detroit Y. M. C. A. is about to enter a \$5,000,000 campaign May 4th-14. The purpose of the Campaign is to raise money with which to build seven new buildings. The city has been carefully surveyed and subdivided into districts, and buildings are to be put in all of these districts. A delegation of 15 men, one of whom is chairman of the Pine Street Branch, has been sent to Detroit to make inspirational addresses on Sunday, May 3rd. This campaign supersedes the St. Louis campaign by two million dollars and now stands as the largest campaign ever attempted by the Young Men's Christian Association.

Now this calls to mind the new building which was recently opened in Detroit for Colored men and boys. It also makes us think anew of the building that is to be erected for Colored men and boys in St. Louis in the near future. The Colored people of Detroit met fully the obligation placed upon them in connection with the St. Antoine Branch building. No more thoroughly, however, than we in St. Louis will meet the obligation which we so gallantly accepted in connection with the proposed building west of Grand avenue. The following paragraphs taken from a report of the General Secretary, tells of the building progress to date.

"LaBaume and Klein are now in the process of writing the detailed specifications (Continued on Page 3)

SGT. SAMUEL COPELAND, GREAT HERO, TO TELL STORY OF HIS ACHIEVEMENT AT MEN'S MEETING SUNDAY

Sgt. Samuel Copeland, Veteran of the Philippine Insurrection who was recently awarded a distinguished medal for bravery by the war department of the United States of America, will tell the story of his daring gallantry at the Men's Meeting at Pine Street Sunday May 3rd. Every man likes to listen to a real hero. Hear this soldier whose fame has been made snow and heralded to the four corners of the earth for his bravery and loyalty to the Stars and Stripes.

Y. M. C. A. TO OBSERVE MOTHER'S DAY WITH FITTING PROGRAM

Mother's Day observance at Pine St. Y. M. C. A. will reflect grandeur in all of its details as a tribute to the Loving Mothers of St. Louis and the world.

Mrs. Josephine M. Norcom, Executive Secretary of the Blue Triangle Y. W. C. A., Cincinnati, Ohio has accepted invitation to deliver the principal address. The subject: "Youth—The Hope of the World." Mrs. Norcom is a woman of great intellectual acquirements, having spent many years in moulding the minds of the Youths of our City Schools in Virginia, during which time she studied in leading Eastern University—Post Graduate Summer Schools. As Y. W. C. A. Secretary, her efficiency registers excellently as is very easily ascertained by the splendid organized piece of Association work among girls and women of Cincinnati and the great esteem in which she is held by the General, Associate and under Secretaries of both groups as well as the Directors and National Boards.

MOTHER HEAD SECURES FIRST AID EQUIPMENT

Mrs. Laura Head, Matron and beloved mother at Pine St., has recently equipped and supplied necessities for the administering of First Aid to any of her sons at the "Y" who might be taken ill. She is a real mother to the fellows at Pine Street.

THE IDEAL SECRETARY OF A YOUNG MEN'S CHRISTIAN ASSOCIATION

The following points are taken from a personality sketch of Lester C. Haworth General Secretary of the St. Louis Association, and appearing in the January 1925 Association Men. It is thought that by placing this material in the hands of younger secretaries of the brotherhood that it may serve a self-measuring means for growth in the secretaryship. This article is published and distributed as a compliment to its former General Secretary by the Young Men's Christian Association of Youngstown, Ohio.

1 He possesses to a marked degree business sagacity and inflexible integrity.

2 He submerges his own personality in the interests of the cause with which he is identified.

3 He has sense of humor and a ready wit which make it comfortable to work with him.

4 Instead of being brutally frank he is tactfully honest—another way of saying he respects the feelings of others.

5 He is a good listener and can sympathetically see a problem from the other man's point of view.

6 He is sensitive to criticism but not soured by it.

7 He sees things clearly himself and is able to get others to see them.

8 He habitually tackles tasks with the question, "Is there not a bigger and better thing to do?"

9 He does not have the earmarks of a professional religionist.

10 He does not belong to the type of religious leaders who work best by making a great display and considerable noise—he works always with an ease which inspires respect and confidence.

11 He has a natural attractive dignity.

12 He is a man of vision and of an ever widening horizon.

Speaking from the subject of "Self-Culture." He enunciated the many avenues through which men and women could grow larger and broader along intellectual lines, leading to the realm of culture and refinement, service and happiness.

HEARD ON A HIKE

Theodore Brime, as the 24 pulled into Chain of Rocks—"Mr. Steward, when is the next hike?"

"When do we eat?" Willie Walker's National Anthem.

Hiker—Where is Alvoyd, he signed up?

Clarence—Somebody told him that he would have to walk a bit and he backed out.

"You can't kid Didd—it's already been done to him."

"If beans were wisdom, Leonard Cooper would be a genius."

"Going down," said Ed. Bruin as his foot slipped while pushing dirt down on those below—but he couldn't stop—until he neared the creek below.

"Preston sure can eat"—anything.

"Maups" sure can mop up with dog.

"I wouldn't a worn my sister's shoes if I'd known all about this."—Wardell.

"This is the life—woods n'everything"—Waide.

Walking is great until you strike the up-grade—ask Casey and Donahue.

Hogens really got his four-hits worth—eating.

"Bacon and Eggs for breakfast just suits Herbert, Alvin and Burleson.

Like not to have been any bacon and eggs for Ed. White and Brown.

We had a great time, you should have been along.

"PRAYER"—BY A BOY

Many people seem to think that prayer means simply petition or supplication—asking God to Forgive some sin, take away a sickness or sorrow. Prayer is not beseeching God; it is communion with God.

Through prayer the world may be conquered, mountains moved. When we pray with God the way may be found to do this by the following quotation: "But after some direction. A real 'I've 'Y'er.

thou, when thou prayest enter into thine inner chamber, and having shut the door, pray to thy Father who is in secret, and thy Father who seeth in secret shall recompense thee."

When one has learned from these words when to pray, the next is how to pray.

Prayer doesn't mean using thou, thee and thy, but praying in your own words, asking God for the things you need; for help with the temptations you have; and for strength to live clean and strong. God will listen to a boy with a plain speaking tongue, and sincere heart sooner or as soon as a person with high sounding words. "God's a spirit; And they that worship him must worship in spirit and truth."

To the average boy this seems weakly and unmanly but to pray is one of the most manly things that can be done. Just think Washington at Valley Forge, Lincoln's praying during the Civil War. Praying Foot Ball Team of Center College! Marshall Foch's praying! And we would think that these strong men would need no help from God but they needed it just as we do for "All Things whatsoever ye pray and ask for, believe that ye receive them, and ye shall have them.

Think these few words over with the following prayer tonight you may have some consolation: "God teach me to pray in my own natural way."

By LOUIS B. WHITE,

President of Junior Hi-Y.

BRICK BATS AND BOUQUETS

Now look who's captain of the Drill Team. "I wonder what's become of Eddie"—Fired.

Say fellows, have you met little Ol' He North or South one. He is named after some direction. A real 'I've 'Y'er.
